

Number and Word Puzzles / Roy Preston, Graham Wise, Brenda Apsley / Egmont Books, Limited, 2006 / 9781405223430 / 2006

Thousands of word search puzzles and games to play online or print out, covering a mix of both fun and educational topics. You can even create your very own game in just a few simple steps. We have the best collection of word search puzzles online, with new ones being added regularly. They are fun to play, but also educational, in fact, many teachers make use of them. Puzzles are 100% free to play and work on desktop pc, mac, mobile and tablet. Or you can go old school and print them to enjoy offline later. Plus, if you're feeling a little more adventurous, why not create your very own with our simple to use Word Search Maker, and then share them with your friends. To get started playing, just select a game from below. Best of luck. Make your own custom word search with our free generator. Enter a word list and we will create an easy-to-read, printable puzzle. There may be a limit to the number and lengths of words hidden. If you have too many words or your words are too long, they may be left out of the puzzle. Please check your puzzle carefully to make sure all of your words are there. Our word search generator uses a basic word filter to prevent the accidental, random creation of offensive words. When you create your puzzle, please check it over it carefully to be sure unintended words were not added by our random letter generator. STW members are able to save their worksheets. You are not currently logged in and will not be able to save this file. Then you will love Word and number games. We present a collection of board and word games for your mobile or tablet. All the classic games to have fun in your spare time. All your favorite games in one! GAME COLLECTION.
