Here are 101 trading quotes to get you pumped with meanings. "As long as you stick to your own style, you get the good and bad in your own approach." - Michael Marcus. Meaning : What works for you as a trader may not work for others. Every trader has their own trading style . 12. "Time is your friend; impulse is your enemy." - John Bogle. Meaning : Perhaps one of the most inspirational trading quotes to remind you how liberating it is to be a trader! 31. "You have to identify your weaknesses and work to change. Keep a trading diary " write down your reasons for entering and exiting every trade. Look for repetitive patterns of success and failure." - Alexander Elder. To keep yourself solution focused, you want to ask yourself, "What did I do well today? What about this trade did I do right?" You will find that, over time, your performance is varied. pg113. When you talk aloud your thoughts and feelings, you no longer identify with them; you listen to them as an observer. pg117. Our coping is mobilized when we imagine anticipated stressful situations, preparing us for when those situations actually occur in trading. pg127. Tangible rewards for your success are among the strongest positive reinforcers. pg206. You don't have to diversify by trading many markets. You can diversify by time frame, directionality and setup pattern (trending, reversal). pg247. Anyone who fights for the future lives in it today. -Ayn Rand pg261. Lesson 84: Mentor Yourself for Success. 275. Lesson 85: Keep Detailed Records. The goal of The Daily Trading Coach is to teach you as much as possible about coaching, so that you can mentor yourself to success in the financial markets. The key word in the title is "Daily." This book is designed to be a resource that you can use every day to build upon strengths and overcome weaknesses. Two realities led to The Daily Trading Coach. First, a review of the traffic patterns on the TraderFeed blog revealed that a large number of readers "about a third" were accessing the site during the hour or so immediately prior to the market open.

Visualize yourself being successful. Better even, live as if you have already achieved success. Make a plan or a blueprint for success. Imagine in your mind the steps you need to take to achieve your goal. Listen to your gut. And look for signs from the Universe. Don't overthink things. Stay focused on what is really important and let go of everything else. Work with the flow of things. Know your distractions. Make a list of things that keep you from staying focused and make sure to get rid of them when you are working on your goal. Understand that your time is limited. Don't waste time doing unnecessary things. Take responsibility for your actions, ideas, and thoughts. Take control of your life. Organize your mind and thoughts. Learn to understand and control your emotions. While there is great potential for reward trading stocks, commodities, options and forex, there is also substantial risk of loss in all trading. All trading operations involve high risks of losing your entire investment. You must decide your own suitability to trade. The possibility exists that you could sustain a loss in excess of your initial investment. Therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with foreign exchange trading, and seek advice from an independent financial advisor if you have any doubts. Show more>Show less. *Sharper Trades*. Inspirational trading quotes can be the backbone of your trading strategy. Here are 101 trading quotes to get you pumped with meanings. 8. "There is no single market secret to discover, no single correct way to trade the markets. Those seeking the one true answer to the markets haven't even gotten as far as asking the right question, let alone getting the right answer." - Jack Schwaggar. Meaning: An inspirational trading quote to remind you to stop looking for shortcuts! In reality, no one really knows how to crack the market and be successful all the time. 9. "If most traders would learn to sit on their hands 50 percent of the time, they would make a lot more money." - Bill Lipschutz. Meaning: The best traders know that patience 71. Once you make yourself aware of the true value of your products to a customer, it will be much easier to make the sale. The salesperson's understanding of the total benefit package is the key factor in defeating competition. 72. There is one thing that the customer cannot buy elsewhere. At any price. And certainly not from your competitors. That thing is your ability to spot the alternative, improved solution that will bring cost savings to his facility. 73. It is important to understand ourselves before we can understand others. Every salesperson must follow this every time. 74. Your atti
