

Unseen Marin: The Waterways of Central Marin County: Corte Madera, Larkspur, Ross, Tamalpais and San Anselmo Creeks | Marques Vickers | 128 pages

Marques Vickers. This edition is a visual examination of five water tributaries flowing through the cities of Corte Madera, Ross, Larkspur and San Anselmo. Over 85 color images taken by photographer Marques Vickers portray the routings of the Corte Madera, Ross, Larkspur, Tamalpais and San Anselmo Creeks. The creeks that flow throughout Marin County are important draining outlets to San Francisco Bay. More. Corte Madera Creek Corte Madera Creek extends approximately 4.5 miles beginning at a juncture with Ross Creek in the town of Ross. The creek passes through Kentfield where Tamalpais Creek converges from the west. The creek continues straddling the cities of Larkspur and Corte Madera. The path widens and is surrounded by waterfront properties on both banks before passing under an Interstate Highway 101 overpass bridge. The creek empties into Richardson Bay. Ross Creek Ross Creek originates just south before Phoenix Lake, whose overflow spills into its waters.Â UNSEEN MARIN: The Waterways of Central Marin.
