An English Translation: "The Duchess of Berri in La Vendée ; comprising a narrative of her adventures, with her private papers and secret correspondence"; London, Bull and Churton, 1833. By its date this must of necessity be from the original French edition ; moreover, it is much shorter than the second French one. It went into several editions. Seemingly it is the first of Dumas' works to appear in English. Contactez-nous/Contact Us [Traduire en français] [Translate into English].
