

Imagining Egypt, Volume 3, #2007 #Running Press, 2007 #192 pages #9781579125479

This remarkable book emulates Egypt itself; it fuses philosophy, religion, art and science into a single inextricable Unity. Like an accomplished Egyptian temple or sculpture, it looks effortless yet is extremely subtle and complex. It resonates Egypt. It 'breathes' Egypt. It is almost like actually being there! Not many books do that., Normandi Ellis' magnificent Imagining the World into Existence: An Ancient Egyptian Manual of Consciousness is a breakthrough of holistic literature at this crucial time. She creates a new language of holism, thereby completing the task that acad A History Of Egypt ..., Volume 3 book. Read reviews from worldâ€™s largest community for readers.
