Head or Heart is the second studio album by American singer-songwriter Christina Perri, released on April 1, 2014, via Atlantic Records. It was originally expected to be released on March 11, 2014, but was pushed back to April 1, 2014. In an interview with Pollstar's Sarah Marie Pittman published on April 25, 2014, Perri described the pressure surrounding the writing of her second album as unavoidable, stating: "I had to completely trick myself, to be quite honest, and pretend that absolutely nobody Wisdom of the head as well as wisdom of the heart are most sought after rarities in the world. Both types of wisdom can be likened to divine maturity that is gained after lots of experience. The wisdom of the head can be likened to super intelligence, whereas the wisdom of the head can be likened to super emotional intelligence guided by intuition. We can not say which wisdom is better? Wisdom is ultimate possession; either of the two types is sufficient to make the possessor contented and successful. Actually beginning to read books is the beginning of wisdom. Books actually are nothing but the recorded thoughts and experience of great wise men. So when we read a book, we actually read the thoughts and arduously collected life experiences.
