Unavailable. Fuse 8 n' Kate. Episode 3 - In the Night Kitchen. 2 years ago2 years ago. Kids & Family. In this episode, Betsy tries as hard as she can to find a book that she and Kate can safely disagree on. Things don't go according to plan, though there are plenty of instances of the word "Penis!" being yelled at inopportune moments. Score Thus Far: Betsy: 0 Kate: 0 Maurice Sendak: 1. Literature, Children's Literature, Kidlit, Children's Books, Kids Books. Episode 3 - In the Night Kitchen by Fuse 8 n' Kate is licensed under a Creative Commons License. Show more. In the Night Kitchen is an extraordinary work of imaginative genius. A deep, poignant meditation on life, death, and the concept of belonging. The book poses the question "where do children go at night, in their dreams, once their parents have gone to bed?" The answer is at once beautiful, amusing, and contemplative -- a tender study of the hopes, anxieties, joys, and fears of early youth. Where the Wild Things Are is, of course, Sendak's more renowned book. I would argue that its celebrity only obscures this, the finer work. I encourage all people -- whether parents or otherwise Share this Rating. Title: In the Night Kitchen (1987). 6,8/10. Want to share IMDb's rating on your own site? Use the HTML below. The book depicts a young boy's dream journey through a surreal baker's kitchen where he assists in the creation of a cake to be ready by the morning. In the Night Kitchen has been described by Sendak as part of a trilogy of books based on psychological development from In the Night Kitchen (toddler) to Where the Wild Things Are (pre-school) to Outside In the Night Kitchen is an extraordinary work of imaginative genius. A deep, poignant meditation on life, death, and the concept of belonging. The book poses the question "where do children go at night, in their dreams, once their parents have gone to bed?" The answer is at once beautiful, amusing, and contemplative -- a tender study of the hopes, anxieties, joys, and fears of early youth. Where the Wild Things Are is, of course, Sendak's more renowned book. I would argue that its celebrity only obscures this, the finer work. I encourage all people -- whether parents or otherwise Mickey's sleep is interrupted by a loud noise from downstairs, Suddenly he begins to fall, his clothes disappear, and float down into a world called the "Night Kitchen". He falls into a giant bowl of cake batter which three identical bakers mix for the "morning cake". Mickey pops out of the mix and claims he is not the milk. To make up for the ingredient Mickey (now covered in batter from the neck down) makes a plain out the mix, takes their measuring cup, and flies to a large bottle of milk. He dives Sendak's hero Mickey falls through the dark into the Night Kitchen where three fat bakers are making the morning cake. So begins an intoxicating dream fantasy, described by the artist himself as 'a fantasy ten feet deep in reality'. Language: english. You can write a book review and share your experiences. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them. 1. In the Night of Time. Molina Antonio Munoz. Language

In the Night Kitchen is a follow-up of Maurice Sendak's famous children's book, *Where the Wild Things Are* and has also received the distinguished Caldecott Honor Book Award. In the Night Kitchen is also one of the most controversial books in history due to many images of Mickey being naked during his dream trip to the Night Kitchen. In the Night Kitchen is an extremely unique and beautiful book about the wonders of the dream world and will surely captivate many children's hearts just as *Where the Wild Things Are* has for many years. I would strongly recommend this book to children ages five years and older because the surreal plot may confuse many small children and the nudity scenes might not be appropriate for children ages four and under.
