Oral and Maxillofacial Surgery Review: A Study Guide (Perfect for Board Review) by Din Lam Paperback \$88.00. In stock on December 4, 2020. Order it now. This is not "the same old OMS Secrets". In the two previous versions, the answers to the questions were much more geared towards surgical rounds and would give 1 line answers, just as if you were on rounds. This book can be used as supplement for board preparation because the answers are complete paragraphs with elaboration and explanations. I am enjoying reading this version of Secrets and find that it is much more complete than the previous two versions. Nice job, Dr Abubaker et al. Read more.
