The Portable Writers Conference: Your Guide to Getting Published. By Quill Driver Books. Length: 823 pages9 hours. Description.Â Thereâ€™ll always be a need for live writerâ€™s conferences, for many writers like to get together, to network and get a chance to show their work to people who just may want to publish itâ€™or at least to hear why they wonâ€™t or canâ€™t. But for a lot of the nuts-and-bolts information such conferences offer, The Portable Writerâ€™s Conference is an excellent one-stop shopping choice. â€”John F. Baker, Former Editorial Director The Portable Writer's Conference - Your Guide to Getting Published by Stephen Blake Mettee is just that. A compilation of expert advice you can have at your finger tips. For me there is nothing better than inside information when you want to learn about an industry's needs and wants and how to provide those things to them.Â This book carries tips for fiction and nonfiction writers. It paves the way for you to self-publish or get published in magazines or by book publishers. It shows you how to hone in on your goal. How to set your sights on exactly what you want to accomplish. Then personally takes you by the hand and teaches you each step you need to take to finally achieve your goal. Even if you attend every writer's conference that is being held this year in person. How to Publish a Book: The Process of Getting Self-Published. The best way to set yourself apart, besides ferociously self-editing your book, is paying for a professional editor. The biggest mistake many self-published authors make is spending more on design and marketing than on professional editing and proofreading.Â Amazon Createspace: a print-on-demand option also prints paperback copies ordered on Amazon. Kindle Direct Publishing: you can publish an ebook online available for purchase on Kindle and Kindle Apps worldwide via Amazon.com. iBooks: you can publish a book to the Apple iBooks store and distribute it anywhere on the internet. Other considerations for self-published titles (unless youâ€™ve hired someone to navigate this process): Create an author website. Should you go to writers conferences? Not all authors are lucky enough to live near cities with writers conferences.Â An inexpensive alternative to writing conferences are online writing communities, where you can get great advice, feedback, and case studies from people who have written and published books. Though you're unlikely to find any former Big 5 acquisition editors casually trolling the forums, these communities are a great place to start for first-time authors, and may even lead to you becoming a lifelong member.Â All of these publishers have been around for decades, and getting your book published by one of them is a golden ticket to prestige and recognition. However, keep in mind that these publishers are pretty selective, especially when it comes to novels. The Portable Writers' Conference by Stephen Blake Mettee, unknown editionÂ The Portable Writers' Conference. Your Guide to Getting and Staying Published. This edition was published in January 1997 by Quill Driver Books. First Sentence. "RANDY, A KID IN MY NEIGHBORHOOD, was recently cut from his college football team, the "Soaring Eagles," in his senior year because, the coach said, he had "failed to develop an attitude."
