**RULES OF THE COMMITTEE ON
FINANCIAL SERVICES
U.S. House of Representatives
112th Congress
First Session**

RULE 1

GENERAL PROVISIONS

(a) The rules of the House are the rules of the Committee on Financial Services (hereinafter in these rules referred to as the “Committee”) and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are privileged motions in the Committee and shall be considered without debate. A proposed investigative or oversight report shall be considered as read if it has been available to the members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day).

(b) Each subcommittee is a part of the Committee, and is subject to the authority and direction of the Committee and to its rules so far as applicable.

(c) The provisions of clause 2 of rule XI of the Rules of the House are incorporated by reference as the rules of the Committee to the extent applicable.

RULE 2

MEETINGS

Calling of Meetings

(a)(1) The Committee shall regularly meet on the first Tuesday of each month when the House is in session.

(2) A regular meeting of the Committee may be dispensed with if, in the judgment of the Chairman of the Committee (hereinafter in these rules referred to as the “Chair”), there is no need for the meeting.

(3) Additional regular meetings and hearings of the Committee may be called by the Chair, in accordance with clause 2(g)(3) of rule XI of the rules of the House.

(4) Special meetings shall be called and convened by the Chair as provided in clause 2(c)(2) of rule XI of the Rules of the House.

Notice for Meetings

(b)(1) The Chair shall notify each member of the Committee of the agenda of each regular meeting of the Committee at least three calendar days before the time of the meeting.

(2) The Chair shall provide to each member of the Committee, at least three calendar days before the time of each regular meeting for each measure or matter on the agenda a copy of—

(A) the measure or materials relating to the matter in question; and

(B) an explanation of the measure or matter to be considered, which, in the case of an explanation of a bill, resolution, or similar measure, shall include a summary of the major provisions of the legislation, an explanation of the relationship of the measure to present law, and a summary of the need for the legislation.

(3) At least 24 hours prior to the commencement of a meeting for the markup of legislation, the Chair shall cause the text of such legislation to be made publicly available in electronic form.

(4) The provisions of this subsection may be waived by a two-thirds vote of the Committee or by the Chair with the concurrence of the ranking minority member.

RULE 3

MEETING AND HEARING PROCEDURES

In General

(a)(1) Meetings and hearings of the Committee shall be called to order and presided over by the Chair or, in the Chair's absence, by the member designated by the Chair as the Vice Chair of the Committee, or by the ranking majority member of the Committee present as Acting Chair.

(2) Meetings and hearings of the committee shall be open to the public unless closed in accordance with clause 2(g) of rule XI of the Rules of the House.

(3) Any meeting or hearing of the Committee that is open to the public shall be open to coverage by television broadcast, radio broadcast, and still photography in accordance with the provisions of clause 4 of rule XI of the Rules of the House (which are incorporated by reference as part of these rules). Operation and use of any Committee operated broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of rule XI and all other applicable rules of the Committee and the House.

(4) Opening statements by members at the beginning of any hearing or meeting of the Committee shall be limited to 5 minutes each for the Chair or ranking minority member, or their respective designee, and 3 minutes each for all other members.

(5) To the extent feasible, members and witnesses may use the Committee equipment for the purpose of presenting information electronically during a meeting or hearing, provided the information is transmitted to the appropriate Committee staff in an appropriate electronic format at least one business day before the meeting or hearing so as to ensure display capacity and quality. The content of all materials must relate to the pending business of the Committee and conform to the rules of the House. The confidentiality of the material will be maintained by the technical staff until its official presentation to the Committee members. For the purposes of maintaining the official records of the committee, printed copies of all materials presented, to the extent practicable, must accompany the presentations.

(6) No person, other than a Member of Congress, Committee staff, or an employee of a Member when that Member has an amendment under consideration, may stand in or be seated at the rostrum area of the Committee rooms unless the Chair determines otherwise.

Quorum

(b)(1) For the purpose of taking testimony and receiving evidence, two members of the Committee shall constitute a quorum.

(2) A majority of the members of the Committee shall constitute a quorum for the purposes of reporting any measure or matter, of authorizing a subpoena, of closing a meeting or hearing pursuant to clause 2(g) of rule XI of the rules of the House (except as provided in clause 2(g)(2)(A) and (B)) or of releasing executive session material pursuant to clause 2(k)(7) of rule XI of the rules of the House.

(3) For the purpose of taking any action other than those specified in paragraph (2) one-third of the members of the Committee shall constitute a quorum.

Voting

(c)(1) No vote may be conducted on any measure or matter pending before the Committee unless the requisite number of members of the Committee is actually present for such purpose.

(2) A record vote of the Committee shall be provided on any question before the Committee upon the request of one-fifth of the members present.

(3) No vote by any member of the Committee on any measure or matter may be cast by proxy.

(4) In addition to any other requirement of these rules or the Rules of the House, including clause 2(e)(1)(B) of rule XI, the Chair shall make the record of the votes on any question on which a record vote is demanded publicly available for inspection at the offices of the Committee and in electronic form on the Committee's Web site not later than one business day after such vote is taken. Such record shall include in electronic form the text of the amendment, motion, order, or other proposition, the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and

the names of those members of the committee present but not voting. With respect to any record vote on any motion to report or record vote on any amendment, a record of such votes shall be included in the report of the Committee showing the total number of votes cast for and against and the names of those members of the committee present but not voting.

(5) POSTPONED RECORD VOTES.—(A) Subject to subparagraph (B), the Chairman may postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chairman may resume proceedings on a postponed request at any time, but no later than the next meeting day.

(B) In exercising postponement authority under subparagraph (A), the Chairman shall take all reasonable steps necessary to notify members on the resumption of proceedings on any postponed record vote.

(C) When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Hearing Procedures

(d)(1)(A) The Chair shall make public announcement of the date, place, and subject matter of any committee hearing at least one week before the commencement of the hearing, unless the Chair, with the concurrence of the ranking minority member, or the Committee by majority vote with a quorum present for the transaction of business, determines there is good cause to begin the hearing sooner, in which case the Chair shall make the announcement at the earliest possible date.

(B) Not less than three days before the commencement of a hearing announced under this paragraph, the Chair shall provide to the members of the Committee a concise summary of the subject of the hearing, or, in the case of a hearing on a measure or matter, a copy of the measure or materials relating to the matter in question and a concise explanation of the measure or matter to be considered. At the same time the Chair provides the information required by the preceding sentence, the Chair shall also provide to the members of the Committee a final list consisting of the names of each witness who is to appear before the Committee at that hearing. The witness list may not be modified within 24 hours of a hearing, unless the Chair, with the concurrence of the ranking minority member, determines there is good cause for such modification.

(2) To the greatest extent practicable—

(A) each witness who is to appear before the Committee shall file with the Committee two business days in advance of the appearance sufficient copies (including a copy in electronic form), as determined by the Chair, of a written statement of proposed testimony and shall limit the oral presentation to the Committee to brief summary thereof; and

(B) each witness appearing in a non-governmental capacity shall include with the written statement of proposed testimony a curriculum vitae and a disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant hereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years. Such disclosure statements, with appropriate redactions to protect the privacy of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(3) The requirements of paragraph (2)(A) may be modified or waived by the Chair when the Chair determines it to be in the best interest of the Committee.

(4) The five-minute rule shall be observed in the interrogation of witnesses before the Committee until each member of the Committee has had an opportunity to question the witnesses. No member shall be recognized for a second period of five minutes to interrogate witnesses until each member of the Committee present has been recognized once for that purpose.

(5) Whenever any hearing is conducted by the Committee on any measure or matter, the minority party members of the Committee shall be entitled, upon the request of a majority of them before the completion of the hearing, to call witnesses with respect to that measure or matter during at least one day of hearing thereon.

Subpoenas and Oaths

(e)(1) Pursuant to clause 2(m) of rule XI of the Rules of the House, a subpoena may be authorized and issued by the Committee or a subcommittee in the conduct of any investigation or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present, or pursuant to paragraph (2).

(2) The Chair, with the concurrence of the ranking minority member, may authorize and issue subpoenas under such clause during any period for which the House has adjourned for a period in excess of three days when, in the opinion of the Chair, authorization and issuance of the subpoena is necessary to obtain the material or testimony set forth in the subpoena. The Chair shall report to the members of the Committee on the authorization and issuance of a subpoena during the recess period as soon as practicable, but in no event later than one week after service of such subpoena.

(3) Authorized subpoenas shall be signed by the Chair or by any member designated by the Committee, and may be served by any person designated by the Chair or such member.

(2) TESTIMONY OF CERTAIN OFFICIALS.—

(A) Notwithstanding subsection (a)(4), when the Chair announces a hearing of the Committee for the purpose of receiving—

(i) testimony from the Chairman of the Federal Reserve Board pursuant to section 2B of the Federal Reserve Act (12 U.S.C. 221 et seq.), or

(ii) testimony from the Chairman of the Federal Reserve Board or a member of the President's cabinet at the invitation of the Chair, the Chair may, in consultation with the ranking minority member, limit the number and duration of opening statements to be delivered at such hearing. The limitation shall be included in the announcement made pursuant to subsection (d)(1)(A), and shall provide that the opening statements of all members of the Committee shall be made a part of the hearing record.

(B) Notwithstanding subsection (a)(4), at any hearing of the Committee for the purpose of receiving testimony (other than testimony described in clause (i) or (ii) of subparagraph (A)), the Chair may, after consultation with the ranking minority member, limit the duration of opening statements to ten minutes, to be divided between the Chair and Chair of the pertinent subcommittee, or the

Chair's designees, and ten minutes, to be controlled by the ranking minority member, or the ranking minority member's designees. The Chair of the subcommittee shall ensure that opening statements for all members shall be made a part of the hearing record.

In general

1. (a)(1)(A) The Rules of the House are the rules of its committees and subcommittees so far as applicable.

(B) Each subcommittee is a part of its committee and is subject to the authority and direction of that committee and to its rules, so far as applicable.

(2)(A) In a committee or subcommittee—

(i) a motion to recess from day to day, or to recess subject to the call of the Chair (within 24 hours), shall be privileged; and

(ii) a motion to dispense with the first reading (in full) of a bill or resolution shall be privileged if printed copies are available.

(B) A motion accorded privilege under this subparagraph shall be decided without debate.

(b)(1) Each committee may conduct at any time such investigations and studies as it considers necessary or appropriate in the exercise of its responsibilities under rule X. Subject to the adoption of expense resolutions as required by clause 6 of rule X, each committee may incur expenses, including travel expenses, in connection with such investigations and studies.

(2) A proposed investigative or oversight report shall be considered as read in committee if it has been available to the members for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such a day).

(3) A report of an investigation or study conducted jointly by more than one committee may be filed jointly, provided that each of the committees complies independently with all requirements for approval and filing of the report.

(4) After an adjournment sine die of the last regular session of a Congress, an investigative or oversight report may be filed with the Clerk at any time, provided that a member who gives timely notice of intention to file supplemental, minority, or ad-

ditional views shall be entitled to not less than seven calendar days in which to submit such views for inclusion in the report.

(c) Each committee may have printed and bound such testimony and other data as may be presented at hearings held by the committee or its subcommittees. All costs of stenographic services and transcripts in connection with a meeting or hearing of a committee shall be paid from the applicable accounts of the House described in clause 1(k)(1) of rule X.

(d)(1) Not later than the 30th day after June 1 and December 1, a committee shall submit to the House a semiannual report on the activities of that committee.

(2) Such report shall include—

(A) separate sections summarizing the legislative and oversight activities of that committee under this rule and rule X during the applicable period;

(B) in the case of the first such report, a summary of the oversight plans submitted by the committee under clause 2(d) of rule X;

(C) a summary of the actions taken and recommendations made with respect to the oversight plans specified in subdivision (B);

(D) a summary of any additional oversight activities undertaken by that committee and any recommendations made or actions taken thereon; and

(E) a delineation of any hearings held pursuant to clauses 2(n), (o), or (p) of this rule.

(3) After an adjournment sine die of a regular session of a Congress, or after December 15, whichever occurs first, the chair of a committee may file the second or fourth semiannual report described in subparagraph (1) with the Clerk at any time and without approval of the committee, provided that—

(A) a copy of the report has been available to each member of the committee for at least seven calendar days; and

(B) the report includes any supplemental, minority, or additional views submitted by a member of the committee.

Adoption of written rules

2. (a)(1) Each standing committee shall adopt written rules governing its procedure. Such rules—

(A) shall be adopted in a meeting that is open to the public unless the committee, in open session and with a quorum present, determines by record vote that all or part of the meeting on that day shall be closed to the public;

(B) may not be inconsistent with the Rules of the House or with those provisions of law having the force and effect of Rules of the House; and

(C) shall in any event incorporate all of the succeeding provisions of this clause to the extent applicable.

(2) Each committee shall make its rules publicly available in electronic form and submit such rules for publication in the Congressional Record not later than 30 days after the chair of the committee is elected in each odd-numbered year.

(3) A committee may adopt a rule providing that the chair be directed to offer a motion under clause 1 of rule XXII whenever the chair considers it appropriate.

Regular meeting days

(b) Each standing committee shall establish regular meeting days for the conduct of its business, which shall be not less frequent than monthly. Each such committee shall meet for the consideration of a bill or resolution pending before the committee or the transaction of other committee business on all regular meeting days fixed by the committee unless otherwise provided by written rule adopted by the committee.

Additional and special meetings

(c)(1) The chair of each standing committee may call and convene, as the chair considers necessary, additional and special meetings of the committee for the consideration of a bill or resolution pending before the committee or for the conduct of other committee business, subject to such rules as the committee may adopt. The committee shall meet for such purpose under that call of the chair.

(2) Three or more members of a standing committee may file in the offices of the committee a written request that the chair call a special meeting of the committee. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the committee shall notify the chair of the filing of the request. If the chair does not call the requested special meeting within three calendar days after the filing of the request (to be held within seven calendar days after the filing of the request) a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held. The written notice shall specify the date and hour of the special meeting and the measure or matter to be considered. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered. Only the measure or matter specified in that notice may be considered at that special meeting.

Temporary absence of chair

(d) A member of the majority party on each standing committee or subcommittee thereof shall be designated by the chair of the full committee as the vice chair of the committee or subcommittee, as the case may be, and shall preside during the absence of the chair from any meeting. If the chair and vice chair of a committee or subcommittee are not present at any meeting of the committee or subcommittee, the ranking majority member who is present shall preside at that meeting.

Committee records

(e)(1)(A) Each committee shall keep a complete record of all committee action which shall include—

(i) in the case of a meeting or hearing transcript, a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical, and typographical corrections authorized by the person making the remarks involved; and

(ii) a record of the votes on any question on which a record vote is demanded.

(B)(i) Except as provided in subdivision (B)(ii) and subject to paragraph (k)(7), the result of each such record vote shall be made available by the committee for inspection by the public at reasonable times in its offices and also made publicly available in electronic form within 48 hours of such record vote. Information so available shall include a description of the amendment, motion, order, or other proposition, the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members of the committee present but not voting.

(ii) The result of any record vote taken in executive session in the Committee on Ethics may not be made available for inspection by the public without an affirmative vote of a majority of the members of the committee.

(2)(A) Except as provided in subdivision (B), all committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the member serving as its chair. Such records shall be the property of the House, and each Member, Delegate, and the Resident Commissioner shall have access thereto.

(B) A Member, Delegate, or Resident Commissioner, other than members of the Committee on Ethics, may not have access to the records of that committee respecting the conduct of a Member, Delegate, Resident Commissioner, officer, or employee of the House without the specific prior permission of that committee.

(3) Each committee shall include in its rules standards for availability of records of the committee delivered to the Archivist of the United States under rule VII. Such standards shall specify procedures for orders of the committee under clause 3(b)(3) and clause 4(b) of rule VII, including a requirement that nonavailability of a record for a period longer than the period otherwise applicable under that rule shall be approved by vote of the committee.

(4) Each committee shall make its publications available in electronic form to the maximum extent feasible.

(5) To the maximum extent practicable, each committee shall—

(A) provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings; and

(B) maintain the recordings of such coverage in a manner that is easily accessible to the public.

(6) Not later than 24 hours after the adoption of any amendment to a measure or matter considered by a committee, the chair of such committee shall cause the text of each such amendment to be made publicly available in electronic form.

Prohibition against proxy voting

(f) A vote by a member of a committee or subcommittee with respect to any measure or matter may not be cast by proxy.

Open meetings and hearings

(g)(1) Each meeting for the transaction of business, including the markup of legislation, by a standing committee or subcommittee thereof (other than the Committee on Ethics or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be in executive session because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, would tend to defame, degrade, or incriminate any person, or otherwise would violate a law or rule of the House. Persons, other than members of the committee and such noncommittee Members, Delegates, Resident Commissioner, congressional staff, or departmental representatives as the committee may authorize, may not be present at a business or markup session that is held in executive session. This subparagraph does not apply to open committee hearings, which are governed by clause 4(a)(1) of rule X or by subparagraph (2).

(2)(A) Each hearing conducted by a committee or subcommittee (other than the Committee on Ethics or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would violate a law or rule of the House.

(B) Notwithstanding the requirements of subdivision (A), in the presence of the number of members required under the rules of the committee for the purpose of taking testimony, a majority of those present may—

(i) agree to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger national security, would compromise sensitive law enforcement information, or would violate clause 2(k)(5); or

(ii) agree to close the hearing as provided in clause 2(k)(5).

(C) A Member, Delegate, or Resident Commissioner may not be excluded from nonparticipatory attendance at a hearing of a committee or subcommittee (other than the Committee on Ethics or its subcommittees) unless the

House by majority vote authorizes a particular committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures specified in this subparagraph for closing hearings to the public.

(D) The committee or subcommittee may vote by the same procedure described in this subparagraph to close one subsequent day of hearing, except that the Committee on Appropriations, the Committee on Armed Services, and the Permanent Select Committee on Intelligence, and the subcommittees thereof, may vote by the same procedure to close up to five additional, consecutive days of hearings.

(3)(A) The chair of a committee shall announce the date, place, and subject matter of—

(i) a committee hearing, which may not commence earlier than one week after such notice; or

(ii) a committee meeting, which may not commence earlier than the third day on which members have notice thereof.

(B) A hearing or meeting may begin sooner than specified in subdivision (A) in either of the following circumstances (in which case the chair shall make the announcement specified in subdivision (A) at the earliest possible time):

(i) the chair of the committee, with the concurrence of the ranking minority member, determines that there is good cause; or

(ii) the committee so determines by majority vote in the presence of the number of members required under the rules of the committee for the transaction of business.

(C) An announcement made under this subparagraph shall be published promptly in the Daily Digest and made publicly available in electronic form.

(D) This subparagraph and subparagraph (4) shall not apply to the Committee on Rules.

(4) At least 24 hours prior to the commencement of a meeting for the markup of legislation, or at the time of an announcement under subparagraph (3)(B) made within 24 hours before such meeting, the chair of the committee shall cause the text of such legislation to be made publicly available in electronic form.

(5) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by

the witness or by an entity represented by the witness. Such statements, with appropriate redactions to protect the privacy of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.

(6)(A) Except as provided in subdivision (B), a point of order does not lie with respect to a measure reported by a committee on the ground that hearings on such measure were not conducted in accordance with this clause.

(B) A point of order on the ground described in subdivision (A) may be made by a member of the committee that reported the measure if such point of order was timely made and improperly disposed of in the committee.

(7) This paragraph does not apply to hearings of the Committee on Appropriations under clause 4(a)(1) of rule X.

Quorum requirements

(h)(1) A measure or recommendation may not be reported by a committee unless a majority of the committee is actually present.

(2) Each committee may fix the number of its members to constitute a quorum for taking testimony and receiving evidence, which may not be less than two.

(3) Each committee (other than the Committee on Appropriations, the Committee on the Budget, and the Committee on Ways and Means) may fix the number of its members to constitute a quorum for taking any action other than one for which the presence of a majority of the committee is otherwise required, which may not be less than one-third of the members.

(4)(A) Each committee may adopt a rule authorizing the chair of a committee or subcommittee—

(i) to postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment; and

(ii) to resume proceedings on a postponed question at any time after reasonable notice.

(B) A rule adopted pursuant to this subparagraph shall provide that when proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Limitation on committee sittings

(i) A committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

Calling and questioning of witnesses

(j)(1) Whenever a hearing is conducted by a committee on a measure or matter, the minority members of the committee shall be entitled, upon request to the chair by a majority of them before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(2)(A) Subject to subdivisions (B) and (C), each committee shall apply the five-minute rule during the questioning of witnesses in a hearing until such time as each member of the committee who so desires has had an opportunity to question each witness.

(B) A committee may adopt a rule or motion permitting a specified number of its members to question a witness for longer than five minutes. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(C) A committee may adopt a rule or motion permitting committee staff for its majority and minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

Hearing procedures

(k)(1) The chair at a hearing shall announce in an opening statement the subject of the hearing.

(2) A copy of the committee rules and of this clause shall be made available to each witness on request.

(3) Witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(4) The chair may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the committee may cite the offender to the House for contempt.

(5) Whenever it is asserted by a member of the committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness—

(A) notwithstanding paragraph (g)(2), such testimony or evidence shall be presented in executive session if, in the presence of the number of members required under the rules of the committee for the purpose of taking testimony, the committee determines by vote of a majority of those present that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the committee shall proceed to receive such testimony in open session only if the committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person.

In either case the committee shall afford such person an opportunity voluntarily to appear as a witness, and receive and dispose of requests from such person to subpoena additional witnesses.

(6) Except as provided in subparagraph (5), the chair shall receive and the committee shall dispose of requests to subpoena additional witnesses.

(7) Evidence or testimony taken in executive session, and proceedings conducted in executive session, may be released or used in public sessions only when authorized by the committee, a majority being present.

(8) In the discretion of the committee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The committee is the sole judge of the pertinence of testimony and evidence adduced at its hearing.

(9) A witness may obtain a transcript copy of the testimony of such witness given at a public session or, if given at an executive session, when authorized by the committee.

Supplemental, minority, or additional views

(1) If at the time of approval of a measure or matter by a committee (other than the Committee on Rules) a member of the committee gives notice of intention to file supplemental, minority, or additional views for inclusion in the report to the House thereon, that member shall be entitled to not less than two additional calendar days after the day of such notice (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such a day) to file such views, in writing and signed by that member, with the clerk of the committee.

Power to sit and act; subpoena power

(m)(1) For the purpose of carrying out any of its functions and duties under this rule and rule X (including any matters referred to it under clause 2 of rule XII), a committee or subcommittee is authorized (subject to subparagraph (3)(A))—

(A) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings as it considers necessary; and

(B) to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memoranda, papers, and documents as it considers necessary.

(2) The chair of the committee, or a member designated by the chair, may administer oaths to witnesses.

(3)(A)(i) Except as provided in subdivision (A)(ii), a subpoena may be authorized and issued by a committee or subcommittee under subparagraph (1)(B) in the conduct of an investigation or series of investigations or activities only when authorized by the committee or subcommittee, a majority being present. The power to authorize and issue subpoenas under subparagraph (1)(B) may be delegated to the chair of the committee under such rules and under such limitations as the committee may prescribe. Authorized subpoenas shall be signed by the chair of the committee or by a member designated by the committee.

(ii) In the case of a subcommittee of the Committee on Ethics, a subpoena may be authorized and issued

only by an affirmative vote of a majority of its members.

(B) A subpoena duces tecum may specify terms of return other than at a meeting or hearing of the committee or subcommittee authorizing the subpoena.

(C) Compliance with a subpoena issued by a committee or subcommittee under subparagraph (1)(B) may be enforced only as authorized or directed by the House.

(n)(1) Each standing committee, or a subcommittee thereof, shall hold at least one hearing during each 120-day period following the establishment of the committee on the topic of waste, fraud, abuse, or mismanagement in Government programs which that committee may authorize.

(2) A hearing described in subparagraph (1) shall include a focus on the most egregious instances of waste, fraud, abuse, or mismanagement as documented by any report the committee has received from a Federal Office of the Inspector General or the Comptroller General of the United States.

(o) Each committee, or a subcommittee thereof, shall hold at least one hearing in any session in which the committee has received disclaimers of agency financial statements from auditors of any Federal agency that the committee may authorize to hear testimony on such disclaimers from representatives of any such agency.

(p) Each standing committee, or a subcommittee thereof, shall hold at least one hearing on issues raised by reports issued by the Comptroller General of the United States indicating that Federal programs or operations that the committee may authorize are at high risk for waste, fraud, and mismanagement, known as the high-risk list” or the high-risk series.”

Clause 4: Audio and visual coverage of committee proceedings

4. (a) The purpose of this clause is to provide a means, in conformity with acceptable standards of dignity, propriety, and decorum, by which committee hearings or committee meetings that are open to the public may be covered by audio and visual means—

(1) for the education, enlightenment, and information of the general public, on the basis of accurate and impartial news coverage, regarding the operations, procedures, and practices of the House as a legislative and representative body, and regarding the measures, public issues, and other matters before the House and its committees, the consideration thereof, and the action taken thereon; and

(2) for the development of the perspective and understanding of the general public with respect to the role and function of the House under the Constitution as an institution of the Federal Government.

(b) In addition, it is the intent of this clause that radio and television tapes and television film of any coverage under this clause may not be used, or made available for use, as partisan political campaign material to promote or oppose the candidacy of any person for elective public office.

(c) It is, further, the intent of this clause that the general conduct of each meeting (whether of a hearing or otherwise)

covered under authority of this clause by audio or visual means, and the personal behavior of the committee members and staff, other Government officials and personnel, witnesses, television, radio, and press media personnel, and the general public at the hearing or other meeting, shall be in strict conformity with and observance of the acceptable standards of dignity, propriety, courtesy, and decorum traditionally observed by the House in its operations, and may not be such as to—

(1) distort the objects and purposes of the hearing or other meeting or the activities of committee members in connection with that hearing or meeting or in connection with the general work of the committee or of the House; or

(2) cast discredit or dishonor on the House, the committee, or a Member, Delegate, or Resident Commissioner or bring the House, the committee, or a Member, Delegate, or Resident Commissioner into disrepute.

(d) The coverage of committee hearings and meetings by audio and visual means shall be permitted and conducted only in strict conformity with the purposes, provisions, and requirements of this clause.

(e) Whenever a hearing or meeting conducted by a committee or subcommittee is open to the public, those proceedings shall be open to coverage by audio and visual means. A committee or subcommittee chair may not limit the number of television or still cameras to fewer than two representatives from each medium (except for legitimate space or safety considerations, in which case pool coverage shall be authorized).

(f) Each committee shall adopt written rules to govern its implementation of this clause. Such rules shall contain provisions to the following effect:

(1) If audio or visual coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(2) The allocation among the television media of the positions or the number of television cameras permitted by a committee or subcommittee chair in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

(3) Television cameras shall be placed so as not to obstruct in any way the space between a witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

(4) Television cameras shall operate from fixed positions but may not be placed in positions that obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(5) Equipment necessary for coverage by the television and radio media may not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(6)(A) Except as provided in subdivision (B), floodlights, spotlights, strobelights, and flashguns may not be used in providing any method of coverage of the hearing or meeting.

(B) The television media may install additional lighting in a hearing or meeting room, without cost to the Government, in order to raise the ambient lighting level in a hearing or meeting room to the lowest level necessary to provide adequate television coverage of a hearing or meeting at the current state of the art of television coverage.

(7) If requests are made by more of the media than will be permitted by a committee or subcommittee chair for coverage of a hearing or meeting by still photography, that coverage shall be permitted on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(8) Photographers may not position themselves between the witness table and the members of the committee at any time during the course of a hearing or meeting.

(9) Photographers may not place themselves in positions that obstruct unnecessarily the coverage of the hearing by the other media.

(10) Personnel providing coverage by the television and radio media shall be currently accredited to the Radio and Television Correspondents' Galleries.

(11) Personnel providing coverage by still photography shall be currently accredited to the Press Photographers' Gallery.

(12) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

RULE XIII: CALENDARS AND COMMITTEE REPORTS

Clause 2: Filing and Printing of Reports

Filing and printing of reports

2. (a)(1) Except as provided in subparagraph (2), all reports of committees (other than those filed from the floor) shall be delivered to the Clerk for printing and reference to the proper calendar under the direction of the Speaker in accordance with clause 1. The title or subject of each report shall be entered on the Journal and printed in the Congressional Record.

(2) A bill or resolution reported adversely (other than those filed as privileged) shall be laid on the table unless a committee to which the bill or resolution was referred requests at the time of the report its referral to an appropriate calendar under clause 1 or unless, within three days thereafter, a Member, Delegate, or Resident Commissioner makes such a request.

(b)(1) It shall be the duty of the chair of each committee to report or cause to be reported promptly to the House a measure or matter approved by the committee and to take or cause to be taken steps necessary to bring the measure or matter to a vote.

(2) In any event, the report of a committee on a measure that has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which a written request for the filing of the report, signed by a majority of the members of the committee, has been filed with the clerk of the committee. The clerk of the committee shall immediately notify the chair of the filing of such a request. This subparagraph does not apply to a report of the Committee on Rules with respect to a rule, joint rule, or order of business of the House, or to the reporting of a resolution of inquiry addressed to the head of an executive department.

(c) All supplemental, minority, or additional views filed under clause 2(1) of rule XI by one or more members of a committee shall be included in, and shall be a part of, the report filed by the committee with respect to a measure or matter. When time guaranteed by clause 2(1) of rule XI has expired (or, if sooner, when all separate views have been received), the committee may arrange to file its report with the Clerk not later than one hour after the expiration of such time. This clause and provisions of clause 2(1) of rule XI do not preclude the immediate filing or printing of a committee report in the absence of a timely request for the opportunity to file supplemental, minority, or additional views as provided in clause 2(1) of rule XI.

Clause 3: Content of Reports

3. (a)(1) Except as provided in subparagraph (2), the report of a committee on a measure or matter shall be printed in a single volume that—

(A) shall include all supplemental, minority, or additional views that have been submitted by the time of the filing of the report; and

(B) shall bear on its cover a recital that any such supplemental, minority, or additional views (and any material submitted under paragraph (c)(3)) are included as part of the report.

(2) A committee may file a supplemental report for the correction of a technical error in its previous report on a measure or matter. A supplemental report only correcting errors in the depiction of record votes under paragraph (b) may be filed under this subparagraph and shall not be subject to the requirement in clause 4 or clause 6 concerning the availability of reports.

(b) With respect to each record vote on a motion to report a measure or matter of a public nature, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of members voting for and against, shall be included in the committee report. The preceding sentence does not apply to votes taken in executive session by the Committee on Ethics.

(c) The report of a committee on a measure that has been approved by the committee shall include, separately set out and clearly identified, the following:

- (1) Oversight findings and recommendations under clause 2(b)(1) of rule X.
- (2) The statement required by section 308(a) of the Congressional Budget Act of 1974, except that an estimate of new budget authority shall include, when practicable, a comparison of the total estimated funding level for the relevant programs to the appropriate levels under current law.
- (3) An estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 if timely submitted to the committee before the filing of the report.
- (4) A statement of general performance goals and objectives, including outcome-related goals and objectives, for which the measure authorizes funding.

(d) Each report of a committee on a public bill or public joint resolution shall contain the following:

(1)(A) An estimate by the committee of the costs that would be incurred in carrying out the bill or joint resolution in the fiscal year in which it is reported and in each of the five fiscal years following that fiscal year (or for the authorized duration of any program authorized by the bill or joint resolution if less than five years);

(B) a comparison of the estimate of costs described in subdivision (A) made by the committee with any estimate of such costs made by a Government agency and submitted to such committee; and

(C) when practicable, a comparison of the total estimated funding level for the relevant programs with the appropriate levels under current law.

(2)(A) In subparagraph (1) the term "Government agency" includes any department, agency, establishment, wholly owned Government corporation, or instrumentality of the Federal Government or the government of the District of Columbia.

(B) Subparagraph (1) does not apply to the Committee on Appropriations, the Committee on House Administration, the Committee on Rules, or the Committee on Ethics, and does not apply when a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been included in the report under paragraph (c)(3).

(e)(1) Whenever a committee reports a bill or joint resolution proposing to repeal or amend a statute or part thereof, it shall include in its report or in an accompanying document—

(A) the text of a statute or part thereof that is proposed to be repealed; and

(B) a comparative print of any part of the bill or joint resolution proposing to amend the statute and of the statute or part thereof proposed to be amended,

showing by appropriate typographical devices the omissions and insertions proposed.

(2) If a committee reports a bill or joint resolution proposing to repeal or amend a statute or part thereof with a recommendation that the bill or joint resolution be amended, the comparative print required by subparagraph (1) shall reflect the changes in existing law proposed to be made by the bill or joint resolution as proposed to be amended.

(f)(1) A report of the Committee on Appropriations on a general appropriation bill shall include—

(A) a concise statement describing the effect of any provision of the accompanying bill that directly or indirectly changes the application of existing law; and

(B) a list of all appropriations contained in the bill for expenditures not currently authorized by law for the period concerned (excepting classified intelligence or national security programs, projects, or activities), along with a statement of the last year for which such expenditures were authorized, the level of expenditures authorized for that year, the actual level of expenditures for that year, and the level of appropriations in the bill for such expenditures.

(2) Whenever the Committee on Appropriations reports a bill or joint resolution including matter specified in clause 1(b)(2) or (3) of rule X, it shall include—

(A) in the bill or joint resolution, separate headings for “Rescissions” and “Transfers of Unexpended Balances”; and

(B) in the report of the committee, a separate section listing such rescissions and transfers.

APPENDIX 2

Chair's Policy Regarding Postponed Votes

January 25, 2011

Rule 3(c)(5) of the Rules of the Committee on Financial Services for the 112th Congress (adopted pursuant to clause 2(h)(4) of rule XI of the Rules of the House of Representatives for the 112th Congress) authorizes the Chairman to postpone ordered record votes on the question of approving any measure or matter or adopting an amendment under certain circumstances. The Committee rule further provides that the Chairman may resume proceedings on a postponed vote at any time, but not later than the next meeting day.

The following policy was first announced by the Chair at the Committee's organizational meeting on February 5, 2003 and circulated to the Members of the Committee in a memorandum dated February 11, 2003. The policy has been continued since that time and is reprinted here for easy reference.

IN GENERAL

Members are advised that this policy applies equally to meetings of the full Committee and subcommittees, and will be printed in the Committee's rules pamphlet. The Chair has consulted with the ranking minority member in the formulation of this policy and will continue to consult with him regarding its application.

As announced at the Committee's organizational meeting, the purpose of this rule is to improve the efficiency of the Committee's meetings, and will not be used to advantage or disadvantage any member seeking to offer an amendment. In order to ensure that the Chair can effectively administer the rule and provide for orderly markups, it is essential that Members inform the Chair of their intention to offer a particular amendment as soon as possible. The Chair cannot protect Members if he does not know of their amendment. Members are further advised that the Chair intends for this rule to be used sparingly, in cases where the Committee faces a long markup on a series of bills or amendments. It does not substitute for the active attendance and participation of Members in Committee meetings.

IN PARTICULAR

1. In the application of the rule, the Chair will consult regularly with the ranking minority member regarding the postponement of votes, including the decision on whether to postpone a particular vote and on when proceedings will resume.

2. A record vote on an amendment will not be postponed if doing so would prejudice a member with regard to the offering of another amendment.

3. The Chair will make every reasonable effort to group the consideration of amendments and the resumption of proceedings on postponed votes so as to permit the offering of all known amendments.

4. No more than 6 record votes will be postponed before the resumption of proceedings on the series, except with the specific agreement of the ranking minority member.

5. When proceedings resume on postponed record votes, the first vote in any series (or in the case of a single postponed vote, that vote), will remain open for 15 minutes, or until all members of the Committee or subcommittee are recorded. Subsequent votes in a series will not be held open.

6. The Chair will make every reasonable effort to notify members regarding the resumption of proceedings on postponed record votes, both prior to and at the time that proceedings resume on any postponed record vote, which includes notification through electronic means.

7. Members are strongly encouraged to attend all committee meetings. However, if members cannot attend the Committee meeting, they are advised to monitor the proceedings through the Committee broadcasts on the House cable system or the Committee's webcast, and to have staff present at the meeting.

The Chair believes that this policy will result in the fair application of the rule, the protection of Members' rights to offer amendments, and an improvement in the efficiency of Committee meetings.
