

Ready, Freddy! #12: Stop that Hamster. Scholastic Inc., 2011. 2011. 96 pages. Abby Klein. 9780545295963

This is my review on "Ready Freddy Stop That Hamster!" The author is Abby Klein and the illustrator was John McKinley. This is my summary on this book, It was Freddy's turn to take the hamster home for the weekend and after they went to bed they got their flashlights and checked on the hamster HE WAS GONE! Freddy his sister and his friend that slept over looked for him. They found him in the dirty laundry. When they tried to get him in his cage he jumped and got out of Freddy's hands. They find him again and this time they get him in his cage. My overall recommendation is 5 stars. No Comments. Add a C Stop That Hamster! book. Read 9 reviews from the world's largest community for readers. With more than one million copies sold, this series has been a huge success. Can Freddy hide the hamster from his mom? And what will happen when the hamster gets loose and starts running around the house? 1) If you had to choose a class pet, what would you choose and how would you take care of it? 2) Why is it impossible for all the kids in Freddy's class to be chosen to take home the class hamster for the weekend. Freddy can hardly believe his good luck when he is chosen. But he's forgotten that his mom is a total Neat Freak and can't stand the idea of having animals in the house. Ready Freddy books are a wonderful resource to use with students who are relatively new to chapter books and who need work on sustaining comprehension over multiple chapters (each book has 8) as well as improving critical reading strategies and skills. There are dozens of Ready Freddy books in the Lot of 6 Ready, Freddy! 2nd Grade Chapter Books RL 2 Abby Klein.
