From the time he was three years old, in 1943, Joseph Iron Eye Dudley was raised by his grandparents on the Yankton Sioux Reservation. Their tiny weatherbeaten house, nestled in a bend of Choteau Creek on the rolling South Dakota prairie, is where he grew up, and this moving reminiscence recreates with warmth and candor a childhood poor in material goods but overflowing with spiritual wealth. This book is about the common, quiet people who never make the headlines or find their names in print. They are the backbone of the reservations, the ones who pass on the values that make Native American what they are.
