

The Breast Cancer Companion: A Guide For The Newly Diagnosed #2010 #Springer Publishing Company, 2010 #Nancy Sokolowski, RN, OCN, Nancy Sokolowski, Valerie Rossi #450 pages #9781935281566

." (quoted from "The Breast Cancer Companion" by Kathy Latour.) Dr. Link's writing style is very much exemplified by his introductory quotation: "Nothing in life is to be feared. It is only to be understood---Marie Curie." This is a very direct, honest book that can help women with newly-diagnosed breast cancer, "understand their situation and develop a plan to optimize a cure." It contains questions at the end of each chapter (called `checkpoints') that women should ask themselves during each stage of diagnosis and treatment, e.g. "Who is...Â When I was diagnosed with breast cancer, several people suggested that I read this book. I am soooo glad they did. The Breast Cancer Companion book. Read 2 reviews from the world's largest community for readers. Named a 2010 Best Consumer Health by the American Journa...Â Goodreads helps you keep track of books you want to read. Start by marking "The Breast Cancer Companion: A Guide for the Newly Diagnosed" as Want to Read: Want to Read savingâ€¦ Want to Read. The book Breast Cancer Clear & Simple, Second Edition, is designed to be just such a resource: a place to find thoughtful, straightforward answers that can make an overwhelming diagnosis easier to navigate. Written by the experts at the American Cancer Society, the book uses a question-and-answer format to help guide a patient through the breast cancer journey. It provides a thorough overview of how breast cancer is diagnosed, staged, and treated, and includes helpful tools for patients, such as a checklist of questions to ask the medical team at each important step of their care.
