

Maui: A Few Facts about the Valley Isle // 1930 // H.I., 1930 // Alice Clare Morrow, Jack Morrow

Map Of Maui book. Read reviews from world's largest community for readers. Goodreads helps you keep track of books you want to read. Start by marking Map Of Maui: The Valley Isle (Reference Maps Of The Islands Of Hawai'i) as Want to Read: Want to Read saving... Want to Read. Currently Reading. Read. Other editions. Enlarge cover. Polynesian Migration, Historical Timelines, Facts and Books. The Beginnings of the Polynesian Race. Growth of the Ancient Population. The Keanae Peninsula on Maui's eastern coastline along the road to Hana is said to have been man made in ancient times with dirt hauled down from the valley above to create flat fertile farmland. This farmland of taro fields can still be seen today. It is one of the finest examples of ancient Hawaiian ingenuity to be found in the islands. A few days later he would meet Kalaniopu'u, King of Hawai'i Island, and his nephew Kamehameha offshore of Hana Maui. 1779. Maui is a beautiful island to visit any time of year but springtime in the islands has it's own special feel. From Easter to Lei Day, there is something for everyone this time of year! Nickname: The Valley Isle. Landsat satellite image of Maui. The small island to the southwest is Kaho'olawe. The eastern flanks of both volcanoes are cut by deeply incised valleys and steep-sided ravines that run downslope to the rocky, windswept shoreline. The valley-like Isthmus of Maui that separates the two volcanic masses was formed by sandy erosional deposits. Maui's last eruption (originating in Haleakalā's Southwest Rift Zone) occurred around 1790; two of the resulting lava flows are located (1) at Cape Kā'ū between Kā'ū Bay and La Perouse Bay on the southwest shore of East Maui, and (2) at Makaluapuna Point[9] on Honokahua Bay on the northwest shore of West Maui.
