Triple Vegas Heat: A Cowboy Reverse Harem Romance (Cowboy Heat Series Book 4) by Pepper Swan: What happens in Vegasâ€¦ oh babe, itâ€™s positively sinful! I told myself I would never, ever fall for a rodeo cowboy, but when these three hotter-than-a-branding-iron sharpshooters surround me, all bets are off. A girl can only deny herself for so long.Â

Seduced by Santa (Paranormal Protection Agency Book 3) by Mina Carter: A woman determined to spread the Christmas spirit. Candy Kane loves Christmas.Â

Steamy Contemporary Romance Tales of love, lust and romance with a focus on plot and character development, but some â€œopen doorâ€ scenes. This is the recommended genre for most New Adult books. Itâ€™s gratifying in erotic western romance to finally kick that bedroom door wide open and see just what the heck makes that man tick. To get a front row seat to his hidden passion, his sexual inventiveness, and to witness the sweetness that a tough man will show only to the woman who owns him, heart and soul. Because cowboys are a breed apart, it takes a special lady to see beneath that gruff exterior. A woman willing to unlock that passionate side, any time, anywhereâ€”against the barn, or in a dusty pickup, over a hay bale, or in a soft bed at the end of a long day.Â
