'Second revolution begins': Armed right-wing groups celebrate Capitol attack Some armed right-wing groups are calling the attack on the Capitol a new American revolution Molly Hennessy-fiske. Los Angeles Times. France entered the American Revolution on the side of the colonists in 1778, turning what had essentially been a civil war into an international conflict. After French assistance helped the Continental Army force the British surrender at Yorktown, Virginia, in 1781, the Americans had effectively won their independence, though fighting would not formally end until 1783. Causes of the Revolutionary War. 11. The American Revolution. When the possibility of a clash with the British became real, New England farmers began to arm themselves and train for battle. These troops were dubbed "minutemen" because they could be ready to fight in a minute. American Revolution. Quite the same Wikipedia. Just better. American Revolution. John Trumbull's Declaration of Independence, showing the Committee of Five presenting its plan for independence to Congress on June 28, 1776. Date. The American Revolution was fought between 1775 and 1783 and was the result of increasing colonial unhappiness with British rule. During the American Revolution, American forces were constantly hampered by a lack of resources but managed to win critical victories which led to an alliance with France. With other European countries joining the fight, the conflict became increasingly global in nature forcing the British to divert resources away from North America.
