

Handmade Christmas: Over Fifty Gorgeous Projects to Craft Your Own Christmas - No Author Supplied, Penguin Books Staff - 2012 - Penguin Books, 2012 - 9780670076147

For my Christmas table this year I dug out the vintage brioche tin I bought for no real purpose and created the gorgeous table centre piece. My nieces had a go at making the little Father Christmas gift tags and they had so much fun. I also made some of the little patchwork fabric baubles which are adorable. So many of these projects are quick and easy to make, which means they are stress-free, economical and concentrate on having fun. My favourites pieces in the book are the paper based crafts, the section on foraged woodland finds and the gorgeous Christmas stocking made from the most beaut...
