The El Mozote Massacre took place in and around the village of el Mozote, in Morazán Department, El Salvador, on December 11, 1981 when the Salvadoran Army killed more than 800 civilians during the Salvadoran Civil War. The el Mozote massacre was preceded by La Matanza or the massacre of Pipil people in 1932, the Student massacre of 1975, and the Áscar Romero funeral and Sumpul River massacres of 1980. It was followed by the El Calabozo massacre and El Paraíso massacre in 1982, the Tenango-Guadalupe. The memory of El Mozote remains inconvenient and this book is a courageous indictment in the classical tradition of American journalism. Danner has provided a striking memorial to the victims of the tragedy who, because of his effort, will not be soon forgotten. Loading More By Kenneth Maxwell. More: Share on Twitter. It chronicles the course of the Salvadoran civil war leading to the massacre and the response by the US government to the news. It's a standard Cold War imperialist atrocity narrative - the US gave arms, advice, and training to the Army of the military junta government to keep them in power against a popular rebellion supported by the Sandinistas in Nicaragua, who presumably had some Massacre at El Mozote is an extension of a New Yorker article, so it's fairly short
