

## The Night Parade of One Hundred Demons: A Field Guide to Japanese Yokai

By MR Matthew Meyer

Matthew Meyer, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the mists of prehistory to the present day, Japan has always had stories of fantastic monsters. There are women with extra mouths in the backs of their heads, water goblins whose favorite food is inside the human anus, elephant-dragons which feed solely on bad dreams, baby zombies, talking foxes, fire-breathing chickens, animated blobs of rotten flesh that run about the streets at night, and the dreaded hyakki yagyo the night parade of one hundred demons -when all of the yokai leave their homes and parade through the streets of Japan in one massive spectacle of utter pandemonium. What are yokai? Put simply, they are supernatural creatures of Japanese folklore. The word in Japanese is a combination of yo, meaning bewitching, and kai, meaning strange. The term encompasses monsters, demons, gods ( kami ), ghosts ( bakemono ), magical animals, transformed humans, urban legends, and other strange phenomena. It is a broad and vague term. Nothing exists in the English language that quite does the trick of capturing the essence of yokai. This field guide contains over...

### Reviews

*Extremely helpful for all group of men and women. it absolutely was writtern extremely perfectly and valuable. Your way of life span will be transform when you complete looking at this ebook.*

-- Prof. Trever Torphy

*The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).*

-- Mrs. Jacklyn Simonis

Night Parade of One Thousand Demons (千鬼夜行, "Senki Yagyū") is a Subjugation based urgent mission that ran from 30/04/15 to 28/05/15. In order to prevent the Thousand-Youkai Night Parade led by Supreme Youkai Commander Nurarihyon from wreaking havoc on the residents of the Oriental Kingdom, the Prince and his fellow comrades have travelled there to subjugate them. This event received a revival from 20/04/17 to 18/05/17. Clear progress from the original event is not inherited. Rewards are changed. This field guide contains over 100 illustrated entries covering a wide variety of Japanese yokai. Each yokai is described in detail including its habitat, diet, origin, and legends based on translations from centuries-old Japanese texts. This book was first funded on Kickstarter in 2011 and then revised in 2015. The Night Parade of One Hundred Demons is 224 pages, with over one hundred full-color paintings. Every yokai presented comes with translation, pronunciation, Japanese writing, the information, and an illustration. The art is easily the best part, all in classic ancient Japan style that gives us a very atmospheric experience and makes these myths feel real in a way. The colors and linework are excellent, too bad the guy isn't a print expert as much as he is an illustrator. There are around over 100 full color illustrations of yokai and detailed descriptions. This book is well worth the money. My kids absolutely love this and the stories and drawings have inspired them to do their own drawings.

Hyakki YagyÅ, variation: Hyakki YakÅ, (ç™³¼é-¼å¼œè;ÇE, "Night Parade of One Hundred Demons") is an idiom in Japanese folklore. Sometimes an orderly procession, other times a riot, it refers to an uncontrolled horde of countless numbers of supernatural creatures known as oni and yÅkai. As a terrifying eruption of the supernatural world into our own, it is similar (though not precisely equivalent) to the concept of pandemonium in English. Luis Brueh is raising funds for Night Parade of a Hundred Yokai on Kickstarter! Raise an army of supernatural beings to haunt the islands of Japan in this asymmetrical engine building game!Å And as a special thanks, i've made one last surprise challenge No list of legendary Yokai would be complete without The Shijin (Suzaku, Byakko, Genbu and Seiryu!). To unlock the 4 last Whispers, answer in the comments which one you think is the best one of them! And how it would interact with your clan of choice! Answer in the comments section which whisper you hope may join your parade! = The Night Parade of One Hundred Demons: A field Guide To Japanese Yokai- Matthew Meyer. S.
