How to Retire Happy, Wild, and Free: Retirement Wisdom That You Won't Get from Your Financial Advisor This book isn't just for early retirees or those who dream of financial freedom. It's also a useful book for people who have already retired and are finding the transition tough. Put simply, what a lot of people don't realize about retirement is that it's not about living a life of leisure. Permanent vacation isn't fulfilling for most people. Zelinski explains how to find fulfillment in retirement. My earlier book How Much Can I Spend in Retirement? A Guide to Investment-Based Retirement Strategies provides an extensive investigation of probability-based approaches. But this investments-only attitude is not the optimal way to build a retirement income plan. Organize retirement planning and personal finances with these good books that serve as a financial adviser to manage money. Successful retirement is more than just achieving financial independence. It's also about finding meaning and happiness in a new chapter of life, and maximizing the financial resources to fund this quest. These six books offer some great advice and practical tips on how to chart your own path. 1 of 9. Courtesy of Wiley. 'Roadmap for the Rest of Your Life' by Bart Astor. This book is not just about accumulating money for retirement, it also brings in the important issues in the softer side of retirement. the stuff that is more important than money. Read more. 2 people found this helpful. Keys to a Successful Retirement delivers as promised, and it was just what I was looking for. I already had a lot of advice (and books) on the financial aspects of retiring. What I wanted and needed was a book to help me plan for life itself - the "rubber hits the road" living.
