'How, if at all, has globalization been implicated in recent changes to European welfare states?' The book combines both theoretical and empirical analysis to provide a critical account of the relationship between globalization and change in European welfare states. Firstly the key theoretical and conceptual debates are reviewed and the existing perspectives on globalization and welfare policy change are assessed. The text moves on to explore and challenge the more apocalyptic economic perspectives on globalization and welfare that suggest permanent retrenchment. The discussion inclu KEY WORDS: Welfare State, Economic Globalization, Compensation, Efficiency. Hanbeom Jeong June 15, 2010. Globalization and the politics of the welfare state. By Hanbeom Jeong. NORFACE Welfare State Futures (WSF) Programme is an interdisciplinary transnational research programme focusing on future developments of European welfare states. It was launched in 2014 by the New Opportunities for Research Funding Agency Co-operation in Europe (NORFACE) network. Including 15 transnational projects with 250 researchers from 25 European countries, the programme analyzes the societal, economic, political and legal aspects of welfare state development and suggests pathways of its
