Master Of The World Mass Market Paperback " January 1, 1965. by Jules Verne (Author). Visit Amazon's Jules Verne Page. Find all the books, read about the author, and more. See search results for this author. Are you an author? A mysterious phenomenon across the US seems to all be linked to a person who calls himself Master of the World, who speeds around in a car that doubles as a submarine and plane. I liked how this story was shorter, Verne's other works can be a touch lengthy. But it doesn't lack in detail or suspense. It has the same sense of adventure, and Verne's touch of scientific brilliance that makes the story just come to life. Definitely one of my favorites of his work. Would I read it again? Master of the World. The young Ye Xing emerged from a deserted border city. After years of hard training, he finally awakened his blood. He excitedly told his father about this, but his father did not agree with him to continue to learn martial arts, the two broke up in conflict, and Ye Xing left the house. After leaving the house, Ye Xing decided to cultivate his own military force, hoping that one day his father would change his mind. What he didn't know was that this road was more difficult than he thought. About the Author Kong Shen, a well-known online novelist, he has authored man Read 151 reviews from the world's largest community for readers. If I speak of myself in this story, it is because I have b... This story was actually a re-appearance for the person known here as The Master Of The World. In his own earlier book he was known as....well, someone else. I don't want to give it all away. But don't worry, you don't have to read the first story before reading this one, because in Chapter 16 Verne tells you as much about the other book as any overly thorough GR reviewer would. I have read the usual Verne novels, and I've always enjoyed his fantastical creations. But as fantastic as the machinery in this story was, overall I was disappointed with the presentation. ...more. Master of the World (French: Maître du monde), published in 1904, is one of the last novels by French pioneer science fiction writer, Jules Verne. It is a sequel to Robur the Conqueror. At the time Verne wrote the novel, his health was failing. Master of the World is a "black novel," filled with foreboding and fear of the rise of tyrants such as the novel's villain, Robur, and totalitarianism.
