

# Costume in England: A History of Dress from the Earliest Period Until the Close of the Eighteenth Century Frederick William Fairholt Chapman and Hall, 1860 1860

COSTUME, dress or clothing, especially the distinctive clothing worn at different periods by different peoples or different classes of people. The word appears in English in the 18th century, and was first applied to the correct representation, in literature and art, of the manners, dress, furniture and general surroundings of the scene represented. By the early part of the 19th century it became restricted to the fashion or style of personal apparel, including the head-dresses, jewelry and the like. History of costumes in chronological development. Edited and published by Kaspar Braun & Friedrich Schneider in Munich. From Ancient to 19th century.Â From Ancient until 19th c. Content.
