No results for health care reform hearings before the subcommittee on health of the committee on ways and means house of representatives one hundred t by united states congress house committee paperback. Try checking your spelling or use more general terms. Go back to filtering menu. Advertisement. The Committee on Oversight and Reform is the main investigative committee of the United States House of Representatives. The committee's broad jurisdiction and legislative authority make it one of the most influential and powerful panels in the House. Its chairman is one of only three in the House with the authority to issue subpoenas without a committee vote or consultation with the ranking member. However, in recent history, it has become practice to refrain from unilateral subpoenas.
