Exhaustive in detail, meticulously researched & engagingly written! Highly recommended to anyone wanting to understand Pakistan or South Asia. Read more. Report abuse. Leading Pakistan watcher Christine Fair in her book, *Fighting to the End: The Pakistan Army's Way of War*, explains that the difference between LeT and JeM lies in the fact that while the former is more pragmatic and less ideological, the latter is highly ideological and sectarian. JeM draws its ideological inspiration from a very extreme form of Deobandi puritanism that considers all those who do not believe in its philosophy beyond the pale of Islam and, therefore, legitimate targets of attack. For many JeM diehards, these include not only Shias and Barelvis but also the Pakistani state and t Read "Pakistan's Political Labyrinths Military, society and terror" by available from Rakuten Kobo. It examines a variety of events in contemporary Pakistan through a comprehensive analysis of identity and power politics; media landscapes; military recruitment; role of madrassahs; terrorism and militancy; civil war as well as outlines future trajectories. It studies themes such as Pakistan's relationship with India, the legacy of Jinnah, gender and fundamentalism, urbanisation, unrest that have plagued the northern areas.
