April 17, 2017/in AP US History /by ethansterling. Question 1. "At the time the first Europeans arrived, the Indians of the Great Plains between the Rocky Mountains and the forested areas bordering on the Mississippi lived partly by corn culture but mostly by the buffalo on foot with bow and arrow. Although Europeans regarded all Indians as nomads (a convenient excuse for denying them the land they occupied), only the Plains Indian really were nomadic. Even they did not become so until about A.D. 1550, when they began to break wild mustangs, offspring of Eur

I bought this book to study for a midyear exam in my AP US History Class. It's questions are quite good. About half of the questions are simple fact recall questions, while the other half is more analytical. One of the best parts about this book is the EXTREMELY DETAILED explanations of the answers in the back. About 1/3 of the book is the questions, while the other 2/3 is answer explanations. Every question has a good paragraph of background information and a detailed explanation of why that answer choice is correct and why certain distractor choices are wrong. This book is very good. I
