

Scottish Company Law. Brian Pillans, Nicholas Bourne. 1999. Cavendish, 1999. 332 pages. 9781859415351

Goulding, Simon Company Law. "2nd ed. 1. Corporation Law " England 2. Corporation Law " Wales I. Title 346.4'2'066." I have attempted in this book to present the core principles of company law in a readable and intelligible form, focussing particularly on important cases and extracting key passages of judgment. This is to acknowledge that, despite being a statute based subject, like any subject in a common law jurisdiction, the law "lives in" the cases." Emma Silver Mining Co v Grant (1879) 11 Ch D 918 English and Scottish Mercantile Investment Co Ltd. v Brunton [1892] 2 QB 700 Equiticorp International plc, Re [1989] 1 WLR 1010 Erlanger v New Sombbrero Phosphate Co Ltd. An introduction to Scottish company law, this text examines the major Scottish statutory and common law rules regulating companies. It considers the effect of the different backgrounds of the respective legal systems in England and Scotland and examines those areas where English law is different. Product Identifiers. Publisher." Brian Pillans, LLB, Dip LP, is a Lecturer in Law at Glasgow Caledonian University. He also teaches company law on a number of professional courses. Professor Nicholas Bourne, LLB, LLM (Wales), LLM (cantab), Barrister, has published widely on company law. He is on the editorial board of Business Law Review. Country of Publication. United Kingdom. Scottish law, the legal practices and institutions of Scotland. At the union of the parliaments of England and Scotland in 1707, the legal systems of the two countries were very dissimilar." The period following the union has been characterized by the merging of Scots and English law. One main cause of the merger is that much of the existing law of Scotland depends on statutes applicable to both countries. The House of Lords, consisting in its legal aspect until 1876 exclusively of English lawyers acting as the supreme court of appeal from Scotland, had a tendency to apply English law in Scottish appeals, and, in some cases, it ignored the distinction between its legislative and judicial functions.
