It turned out that this was a book written in the language of the gods, the Book of Peace, in which there was a ton of useful information on how to defeat the Lord of Demons ! Thanks to her, Magnus was able to recognize the weaknesses of bosses and increase his level much more effectively. He also learned a lot of information about important personalities and various strange, and no, places in the city! With this book in his hands, using his mind and logic, he has a chance to surpass a group of heroes and go his own way to defeat the Lord of Demons! Magnus was not chosen by fate to become hero Shaak Ti was a Togruta female Jedi Master of the Jedi Order and member of the Jedi High Council in the waning years of the Galactic Republic. Considered to be amongst the wisest and most patient in the Order, she was a skilled fighter and devoted believer in the ways of the Jedi.
