The Rift Walker is the second book in a trilogy of high adventure and alternative history. Combining rousing pulp action with steampunk style, the Vampire Empire series brings epic political themes to life within a story of heartbreaking romance, sacrifice, and heroism. Review: In most trilogies the "middle book" suffers from a lack of real story development before the grande finale in book three. And yes, I liked "The Greyfriar", book one in the series, more than "The Rift Walker". But still it did a great job of fascinating me - and especially in keeping me glued
