

Queen Victoria and Thomas Sulley

By Barratt, Carrie Rebora

Ewing, New Jersey, U.S.A.: Princeton University Press, 2001. Hardcover. Condition: New. Dust Jacket Condition: New. Book Description: In 1837, Thomas Sully, who had created a vogue for full-length portraiture among the elite of Philadelphia, was offered a commission to paint the young Queen Victoria. He had already painted Andrew Jackson and Lafayette, but it was his refined and sensual portraits of women that had won him the greatest renown. Queen Victoria and Thomas Sully tells the story of his complex and challenging sojourn abroad, in which he spent five months waiting for a sitting with Her Majesty. He kept expectations in check as he navigated his way through the corridors of British protocol and power, biding time by becoming an active participant in London's lively art scene. By drawing upon Victoria's and Sully's journals, as well as contemporary letters, Carrie Barratt deftly arrives at exactly how Sully achieved his stunning portrait of Victoria, which took great liberties with conventions of state portraiture and was acclaimed as a masterpiece. This volume, which accompanies an exhibition originating at The Metropolitan Museum of Art in New York and traveling to The Wallace Collection in London, is beautifully illustrated and illuminates not only the...

In 1837, Thomas Sully, who had created a vogue for full-length portraiture among the elite of Philadelphia, was offered a commission to paint the young Queen Victoria. He had already painted Andrew Jackson and Lafayette, but it was his refined and sensual portraits of women that had won him the greatest renown. Queen Victoria and Thomas Sully tells the story of his complex In 1837, Thomas Sully, who had created a vogue for full-length portraiture among the elite of Philadelphia, was offered a commission to paint the young Queen Victoria. Queen Victoria presided over a time of industrial expansion, educational advances, the abolition of slavery and workers' welfare. She reigned from 1837-1901. Queen Victoria was the matriarch of the British Empire. She epitomised the values of the era and carved out a new role for the monarchy. During her 63-year reign, a length surpassed only by our current Queen, Victoria presided over the social and industrial transformation of Britain, as well as expansion of the empire. Victoria wasn't expected to rule. Born on 24 May 1819 at Kensington Palace, she began life fifth in line to the throne. H Sully's Victoria is completely off guard, having turned as if to respond to a caller, although protocol prohibited anyone from speaking to the queen without having been spoken to. Most artists employed the canonical image of the divinas majestas, in force since the reign of Elizabeth I: the sovereign stands facing the viewer, wearing the state robes but without the imperial crown, which is off to the side with the orb and scepter. Each of Victoria's painters faced the problem of making the new queen look serious but not dour, youthful but not naive. Barratt, Carrie Rebora. Queen Victoria and Thomas Sully. Exhibition catalogue. Princeton: Princeton University Press, 2000. "Queen Victoria" was created in 1838 by Thomas Sully in Romanticism style. Happy birthday to Queen Victoria. Today marks 201 years since the Queen's birth on 24 May 1819. This captivating portrait by the American artist Thomas Sully shows Victoria in the year following her accession. Sully recorded how, during a sitting with the Queen, she was able to "throw aside constraint and laugh and talk freely like a happy innocent girl, of eighteen." Learn more about Queen Victoria's life and see Buckingham Palace as Victoria and Albert would have known it, in our online exhibition. <https://bit.ly/2Zi7MM3>.

Queen Victoria also had tremendous poise, as Thomas Sully noticed. She had the ability to make a whole room stand still when she entered and it was a queenliness unique to her, described by Princess Lieven as "œan aplomb, an air of command and dignity". Such was Victoria's grace of movement that she had an extraordinary ability to glide across a room, as historian Thomas Carlyle noted when they met in 1869. The queen, he said, had "œsailed out towards [him] as if moving on skates". Such lightness on her feet had perhaps been acquired through her youthful enthusiasm for dancing, and Victoria rema Start by marking "œQueen Victoria and Thomas Sully" as Want to Read: Want to Read saving| Want to Read.Â In 1837, Thomas Sully, who had created a vogue for full-length portraiture among the elite of Philadelphia, was offered a commission to paint the young Queen Victoria.
