Sunder. \$24.95 Add to cart. Related. Thousands of travelers clogged the trail to California. The size of the rush created a host of problems. Almost every blade of grass vanished before the enormous trail herds. Overcrowded campsites and unsanitary conditions contributed to the spread of cholera. The Raft River area, where the main branch of the California Trail separated from the Oregon Trail; or to Utah and the settlements of the Latter-day Saints, Mormons, which were popular way stations. After visiting Salt Lake City, most emigrants followed the Salt Lake Cutoff back to the main trail at City of Rocks in present-day Idaho. Those who turned back often claimed to have seen the elephant's tail. One emigrant, who turned back after only 700 miles said "he had seen the Elephant and eaten its ears." [caption].
