

Basic Japanese Grammar

By Everett F. Bleiler

Tuttle Publishing. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 8.0in. x 5.3in. x 0.6in. This is a clear simple and compact guide to colloquial, everyday Japanese grammar. Basic Japanese Grammar teaches all the grammar you need to speak Japanese and understand simple spoken Japanese. Covering only what is essential, it provides an efficient way for learners who have limited time to learn Japanese and begin to communicate naturally with Japanese speakers. It is intended for selfstudy or classroom use. It offers a practical course in colloquial Japanese, but leaves aside forms that are unnecessary or little used as well as those that are more important for written Japanese. In short chapters, it helps the user understand the logic of Japanese grammar, while its straightforward explanations and clear examples make learning as easy as possible. The book include a glossary of grammatical terms and an index, as well as appendixes on Japanese pronunciation and Japanese verb conjugation. All Japanese words and phrases are written in Kanji and Kana (Hiragana and Katakana) as well as Romanized Japanese (Romanji) and English. Explanations are given in English. Basic Japanese Grammar is most effectively used as follows: Start at the beginning of this book and...
