"Anyway, to join I am required to take your information such as name, age, and I will also require you to accept an oath. Oh! And my name is Asher." "My name is Theo Eleuth, 18." Asher, the young man, took a surprise to his name, so much so that his eyes popped. "Eleuth!! You don't seem that old so that means you are the son of that peaceful protester." The Touch of Your Shadow, the Whisper of Your Name is the fifth book in the series of original Babylon 5 novels. It was written by Neal Barrett, Jr. THE ENEMY WITHIN. Babylon 5, designed to be a place of peace in a troubled universe, has erupted with riots as visiting cultures clash and passions explode. Security chief Garibaldi must use all skills to quell the violence between races. But the troubles escalate as terrifying nightmares plague everyone on board from Captain Sheridan to Vorlon Unique cultivation names. Well, I think there are too many unanswered questions(which keeps me hanging on my seat and anticipating the next chapter). I also appreciate how there isn't an info dump as a result of the MC reading a book and that the information has been integrated into the story quite nicely. Overall, this novel is great! Report. 19. 10. Overall. read it yourself.
